

Year 4 Mr Rushton Anglo-Saxons Autumn 1

English

During term 1, we will be using 'Varjak Paw' as our class text. A challenging, imaginative text that will engage us right from the start. We will be working on our spellings, punctuation and grammar to produce a range of pieces of writing:

- Writing the story from another character's point of view
- Writing a newspaper report

Mathematics

During term 1, we will be starting our journey in Maths by focussing on two main areas of the Maths curriculum

- Place Value
- Geometry (properties of shapes)

We will also hold daily M.O.T (Maths on Track) sessions to support our learning in Mathematics.

Science

In Science this term, we will be learning about sound.

We will complete some investigations and work practically a lot of the time.

We will finish our unit with creating our own musical instrument.

History

In History this term, we will be learning about the Anglo-Saxons.

Our question for this unit will be:

What did the Angle Saxons change in Britain?

Religious Education

During term 1, we will learn about Hinduism. We will study many parts of the religion and by the end of the term, will be able to share our knowledge!

French

In French this term, we will begin by recapping our basic French phonics knowledge.

We will then move on to learning names of fruits and will eventually be able to write, listen and talk about our favourite fruits.

Music

In Music this term, Year 4 will focus on a question to guide our learning

How does music bring us together?

Physical Education

PE lessons take place on Tuesday afternoons. These lessons will be led by Mr Carter.

For this term, the focus will be on invasion games.

Design Technology

During this term, the children will be tasked with creating an Anglo-Saxon home that can withstand a night on our field! Our project will include a series of steps: researching, planning, creating, decorating, testing and finally evaluating.

PSHE

In this term, we will be learning about 'Me and My Relationships' We will focus on working collaboratively, how to deal with certain situations and how to promote our school values.

Art

In Art this term, we will be focussing on drawing techniques. We will finish our unit by bringing our skills together to draw a piece of art inspired by our History topic – the Anglo-Saxons!

Computing

In Computing this term, we will be learning about systems and networks – the internet. The children will learn about how the internet and world wide web are 'made' and how they function.
