

Year 4/5 Mr Rushton and Mrs Perkins Victorians Autumn 1

English

During term 1, we will be using 'The Jamie Drake Equation' as our class text. A picture book full of imagination and ideas that will engage us right from the start. We will be working on our spellings, punctuation and grammar to produce a range of pieces of writing:

- Setting writing
- Non-chronological report
- Poetry techniques

Mathematics

During term 1, we will be continue our journey in Maths by focussing on three main areas of the Maths curriculum

- Place Value
- Decimals
- Geometry

We will also hold daily M.O.T (Maths on Track) sessions to support our learning in Mathematics.

Science

In Science this term, Year 5 will be learning about Space.

Year 4 will be learning about skeletons and their functions and look at food groups and balanced diets.

We will complete some investigations and work practically a lot of the time.

History

In History this term, Year 5 will be answering the following question:

How did the Victorians change travel in Britain?

Year 4 will be answering the following question:

If your time travel machine broke down, which age (Stone, Bronze or Iron) would you want to stay at and why?

Religious Education

During term 1, we will learn about Islam. We will be trying to answer the question:

What does it mean to be a Muslim in Britain?

French

In French this term, we will begin by recapping our basic French phonics knowledge.

We will then move on to learning days, weeks and months of the year.

Music

In Music this term, we will be using the theme of **Ancient Egyptians** to develop our skills and knowledge. We will finish by delivering our own performance.

Physical Education

PE lessons take place on Monday and Tuesday afternoons. We will be focussing on hockey and football.

Design Technology

During this term, we will be learning about electrical systems and then we will create our own doodlers.

PSHE

In this term, we will be learning about 'Me and My Relationships'.

We will focus on working collaboratively, how to deal with certain situations and how to promote our school values.

Computing

In Computing this term, we will be learning about computer systems and networks. We will learn about computer systems and using search engines.
