

Year 4 and 5 Mr Rushton/Mrs Perkins Medicine Through Time Summer 1

English

During term 4, we will be using 'Snitch' as our class text. We will be working on our spellings, punctuation and grammar to produce a range of pieces of writing:

- Character descriptions
- Setting descriptions
- Writing the next chapter
- Bird poetry

Mathematics

During term 4, we will be continuing our journey in Maths by focussing on two main areas of the Maths curriculum

Year 5

- Measurement: Length, Mass and Capacity
- Fractions: calculating

Year 4

- Fractions: calculating
- Addition and subtraction
- Measurement: time

We will also hold daily M.O.T (Maths on Track) sessions to support our learning in Mathematics.

Science

In Science this term, Year 5 will be learning about animals including humans.

Year 4 will be learning about forces and magnets

We will complete some investigations and work practically a lot of the time.

Keep an eye on SeeSaw for some of our amazing work!

Geography/History

In History this term, we will be using two key questions to guide of learning:

Year 5

How has medicine changed over time?

Year 4

Land use and settlements

Religious Education

During term 5, in RE, we will be answering the question:

Creation and science: conflicting or complementary?

French

In French this term, we will be learning continue to learn about clothing.

Music

In Music this term, we will be learning 'Looping and Remixing'.

Physical Education

PE lessons take place on Tuesday and Thursday afternoons.

For this term, the focus will be on striking and fielding.

Design Technology

During this term, we will be focussing on the following question:

Food: what could be healthier?

PSHE

In this term, we will be learning about 'Rights and Responsibilities'.

Computing

In Computing this term, we will be learning about 'Creating media – introduction to vector graphics'.
