

School Council 2025-26

Priority 1

To continue to promote the school council so that all pupils, parents and members of staff are aware of the school council and the work that it carries out.

Priority 2

To ensure that the school council has a positive impact inside the school by ensuring there is pupil voice contributing to the vision and the running of the school

Priority 3

To ensure that the school council has a positive impact outside the school by engaging with the local and wider community.

School Council 2025-26

Our objectives this year are:

- To ensure that each class has had an election and has chosen a representative for their class.
- All members of the school council to recognise that they are leaders and to act accordingly.
- School council display to promote the school council and their messages.
- To ensure that the school council is able to ask for and record the views and opinions of children across the school contributing to pupil voice across the school and to the ongoing improvement of the school.
- To feedback pupil voice, ideas and concerns to staff on a termly basis
- To contribute to the work of the school on ensuring a safe environment for the children, for example: anti-bullying work, online safety, reporting concerns.
- School council to decide on a charity with Eco Council to support for the year
- School council to seek out opportunities to support the local area through community activities).
- School Council to help to support the promotion of World Book Day
