

School Vision: Together We Grow, Achieve And Celebrate

We show the value of RESPECT in our learning through the learning behaviour of

Collaboration means learning and working well with others.

To show collaboration my learning, I can:

- Listen when others are talking.
- Take turns (to speak or to try an activity).
- Speak clearly, using a calm tone of voice.
- Share resources and ideas.
- Use kind words and hands.
- Work with different people.

To show collaboration in my learning, I can ALSO:

- Build on what others have said.
- Take on a specific role within a group, e.g. time-keeper, note-taker, organiser.
- Consider other people's needs.
- Adapt to include and involve everyone.
- Compromise to find a win-win outcome.
